Idle Threat is a lively look at one man's spirited struggle to improve public health by raising awareness about idling's impact, starting in New York City.

INDIVIDUALS

- Organize a house party or community screening. Invite your friends, neighbors, and others. We'll have guides and publicity materials to help you organize and promote your screening.
- Contact local organizations and ask that they organize a screening. Let them know they can earn 10% on any screening purchased and tracked through our event management system.

ORGANIZATIONS

- Encourage your members to host home or community screenings. Your organization can earn 10% for each screening package purchased using a special link or code we'll provide you.
- Sell DVDs directly to your members and supporters or use them as premiums. We offer discounts for quantity purchases and can also create a special branded version with your logo.
